

All-in-One Activity Collection

Keeping Busy
The Dementia Activities Specialist

The “All-in-One Collection” includes a selection of activities that have been carefully chosen to provide a range of benefits, appeal to a variety of interests and offers varied challenges for people with dementia. Included are materials for Active, Cognitive and Creative programs, for both one-on-one and small groups. Add the “Cognitive” or “Creative” add-on collections for even more variety.

Each activity is individually packaged with all of the materials and instructions necessary. Also included are Program Sheets for each category of program with everything in a self-contained, easy to carry case.

Collection includes...

Ball Toss and Target Toss
